RESOLUTIONS

1. Update of the articles of incorporation of the Company (the "Articles") in order to implement the relevant provisions regarding the application of liquidity management tools (LMTs) in compliance with (i) directive 2024/927 of 13 March 2024 amending directive 2009/65/EC (the "UCITS Directive") as regards delegation arrangements, liquidity risk management, supervisory reporting, the provision of depositary and custody services and loan origination by alternative investment fund, as well as (ii) relevant applicable regulatory requirements and accordingly amend articles 7, 8, 9, 9a, 11, 12a, 12b of the Articles.

Heiko Tilmont

The Company may take any measures and execute any transactions that it considers expedient with regard to the fulfilment and implementation of the object of the Company to the full extent permitted by the Law as well as subsequent amendments and, where applicable, the Money Market Funds Regulation."

3. Update of the Articles to reflect the amended Luxembourg Law of 10 August 1915 on commercial companies as well as other minor changes and, accordingly amend articles 2, 5, 6, 10, 11, 12a, 12b, 14, 17, 18, 19, 22, 23, 24, 26, 27 of the Articles.

To review the updated Articles (including a version reflecting the proposed changes made by these resolutions) both in English, go to the regulatory website: <https://regulatory.allianzgi.com>, select your country and go to Shareholder Information.

BACKGROUND TO RESOLUTIONS

As regards the proposed changes of the Articles to be made with the above resolutions, the Board of Directors of the Company would like to provide the following additional information on the background of these changes:

1. The Board of Directors informs the shareholders of the Company that the ESMA published their final reports on (i) the Draft Regulatory Technical Standards on Liquidity Management Tools ("LMTs") under the AIFMD and UCITS Directive as well as (ii) Guidelines on LMTs of UCITS and open-ended AIFs following the entry into force of directive 2024/927 amending the AIFMD and UCITS Directive with regards in particular to LMTs measures to be implemented by EU investment funds as well as LMTs related requirements (together the "LMTs Rules").

In anticipation to the entry into force of the LMTs Rules, it is considered to update the Company's Articles by implementing the relevant required provisions on LMTs so as to comply with the LMTs Rules. The Board of Directors has decided to cover the whole catalogue of LMTs permitted under the LMTs Rules in the Articles and make them available to the Company. The Company and the Management Company will then select the applicable LMTs on a subfund-by-subfund basis, considering in all instances the best interest of investors as well as the pursued investment strategy of each subfund, its dealing terms, its liquidity profile, the results of liquidity stress testing, the characteristics of the subfund's investor base, its distribution policy, its redemption policy and any other relevant operational barriers and complexities that may impact on the feasibility of implementing certain LMTs as well as relevant regulatory requirements. Shareholders will be informed about the details of each LMTs and their selection, activation and calibration for each subfund as described in the Prospectus of the Company.

2. In light of potential future commercial opportunities the Board of Directors requests the flexibility to create within the Company subfunds qualifying as money market funds ("MMF"), it is also considered to amend the Articles so as to include the relevant provisions of Regulation (EU) 2017/1131 of the European Parliament and of the Council of 14 June 2017 on MMF. At this time, the Company does not have plans to immediately launch any MMF and any future creation of MMF would be subject to a decision of the Board of Directors.
3. The above-described contemplated amendments would be the opportunity to restate and update the Articles in light of the reform of the amended Luxembourg Law of 10 August 1915 on commercial companies (the "Companies Law") as well as implement any minor amendments that are standard provisions. This includes the deletion of provision referring to the issuance of bearer shares by the Company. Since the entry into force of the Law of 28 July 2014 regarding immobilisation of bearer shares and units (the "2014 Law"), all shares have been issued as registered shares. The 2014 Law also provided that bearer shares in issuance at that time needed to be deposited with the Depositary by 18 February 2016. Bearer shares deposited with the Depositary have been converted into registered shares. Bearer shares not deposited by 18 February 2016 have been cancelled and the cash equivalent of such cancelled shares, or, absent such cash equivalent, other assets of equivalent value, were
